BLACKOUT: 1999 FREIGHTLINER CLASSIC
CHUCK TIMBROOK

Blackout Tribute Truck

On Saturday, meet Chuck Timbrook and see his amazing military tribute truck, Blackout in the Big Rig Area (Blue Showfield). It is a 1999 Freightliner Classic that pays tribute to military veterans. This tribute carries specific reference to the 167th Airlift Wing of the National Guard of Martinsburg, WV, Timbrook's hometown. The truck is black, adorned with flags and graphics and offers a somber reminder to those who gave all for our country. It has PA roots, having been worked on by VT Transportation/VT Customs in Waynesboro, PA as well as Antrim Diesel in Greencastle, PA.

THE AMERICAN TRUCK HISTORICAL SOCIETY DISPLAY IS NEAR THE PAVILION

CHECK OUT THE GLOW SHOW SATURDAY

Commercial Carriers - Careers

Interested in turning your passion for trucks into a career that can earn significant money? A few carriers are expected on site. Careers in the transportation industry offer training, significant incomes, bonuses and more. See who's looking for help in the Big Rig area of the event, south of Building T.

Optimus Prime Replica

See an Optimus Prime (of the Transformers movie fame) fan-built replica truck in the Big Rig Area (Blue Showfield). Approved as an official replica by Hasbro, the truck is a 2017 Western Star 5700 XE. When it started on the factory floor, its one and only purpose was to become an Optimus Prime replica. Artists and fabricators from around the country were involved to assure no detail was missed. Counting this replica, there are only three Optimus Prime trucks in existence built with this design.

A&A AUTO STORES

PRESENTING SPONSOR OF THE CARLISLE TRUCK NATIONALS

A&A Auto Stores started as a family business in 1958. Over sixty years later, A&A Auto Stores continues to be a leader in the aftermarket auto parts industry. With 18 locations in Eastern and Central Pennsylvania, A&A Auto is showing no signs of slowing down. In 2018, A&A Auto Stores opened a retail location and install shop at 1053 Harrisburg Pike, less than a mile from the Carlisle fairgrounds.

A&A has become a household name within the Carlisle Event community as 2020 will mark our 20th year of participating. A&A's Show footprint continues to grow each year. A&A Auto Stores is the Official Performance Parts Installer for Carlisle Events. A&A offers FREE installations of exhaust systems at all of Carlisle's car and truck show events from leading brands like: Magnaflow, Borla, Corsa, Flowmaster, Billy Boat and Kooks.

In addition, A&A brings a wide variety of automotive products, accessories and expert knowledge to each Carlisle event including a comprehensive product line of truck and off-road performance parts from suppliers like Extang, Trail FX, K&N, AFE, Volant, American Car Craft, Edelbrock, and Titan Lifts just to name a few.

A&A Auto Stores is also the Presenting Sponsor of Truck Nationals, which fits perfectly into our mission of providing the biggest selection of aftermarket accessories and OEM parts to truck owners in the industry. We are enthusiasts too and take tremendous satisfaction in knowing that A&A is in the position to get them what they need regardless of what make or model truck they own.

AMERICAN FORCE WHEELS

Established in 2003 in Miami, FL, American Force has risen from humble beginnings to become the certified leader in forged wheels for trucks, jeeps, SUVs and UTVs. We have remained at the forefront of the industry for well over a decade, innovating new products and setting trends for the market to follow. The success of our business is built on one singular goal and philosophy – to deliver the absolute highest quality custom forged wheels money can buy.

All aspects of the wheel creation process – from design and engineering, to machining and finishing – are handled entirely in-house at our facility in Miami. This gives us a level of control, flexibility and efficiency that is rarely matched. We can guarantee the quality of every single wheel that leaves our building, and we back it up with a lifetime structural warranty.

If you're ready to give your vehicle the durability, strength and bold style that it deserves, then take the next step, and see what it's like to ride on a set of Forces. Proudly crafted in the United States of America.

REVITALIZATION PROJECT

Carlisle Events purchased the site of the former International Automotive Components (IAC) plant, located on Carlisle Springs Road, three blocks from the Carlisle Fairgrounds, in 2008.

The site was cleared, plans were made and approved, red tape was cut, roads and sidewalks were built and trees were planted.

Homewood Suites is taking shape! Soon to follow will be a full-service restaurant, apartment buildings, townhouses and more!
